

PRESS RELEASE

Folmer Equity Fund II - a fund managed by Folmer Management Oy – invests in REACHLaw Ltd with a shared goal to boost REACHLaw’s international growth and support its development into a leading global player in the field of chemical regulatory compliance and sustainability.

HELSINKI, FINLAND, 9 February 2022 - Founded in 2006, REACHLaw a leading expert in chemical regulatory compliance and sustainability has announced today that it has become a portfolio company of Folmer Equity Fund II with the aim to gain an even stronger global foothold in the market.

REACHLaw serves a clientele from over 60 countries consisting of chemical manufacturers, downstream users, importers, traders, retailers, and public organizations from a wide range of industries. The company is headquartered in Helsinki, Finland and has offices in the United Kingdom, Turkey, Russia, and India.

“The company’s goal is to meet the increasing demand created by the more complex and increasing chemical regulations by providing a wider set of services to current and future clients, while expanding into new geographical areas,” notes CEO-Partner Jouni Honkavaara.
